

## GENERAL CONSENT FOR BIRTH CONTROL

When you sign this consent form, it means that:

- » Your Family PACT provider informed you of the many different types of birth control.
- » You discussed the things that are important to you about your method of birth control.
- » Your Family PACT provider has explained how to use your chosen method safely and effectively.

I understand that there are many birth control methods I could choose from. These include:

Intrauterine Device (IUD)

Birth Control Implant

Birth Control Pills & Emergency Contraception Pills

Birth Control Patch

Birth Control Vaginal Ring

Birth Control Shot

Diaphragm, Cervical Cap, & Sponge

External & Internal Condoms

Spermicides

Natural Family Planning Methods

Fertility Awareness Methods

Lactation Amenorrhea Method

Withdrawal Method

Permanent Birth Control (Tubal Ligation)

Permanent Birth Control (Vasectomy)

- » I was told how the method works to prevent pregnancy and how well it works for most people.
- » We have discussed my personal health history. I was told about the benefits and risks of using this method.
- » My Family PACT provider explained how to use my chosen method in a way that I understand.
- » My Family PACT provider and I discussed possible side effects of this method.
- » My Family PACT provider explained problems that could happen. I understand that problems are rare but can still occur. They may also cause serious health issues. I was told the warning signs of these problems.
- » I understand what to do if I want to stop using the method I have chosen.

Based on this information, I have freely chosen to use the \_\_\_\_\_ (name of method) as my chosen method of birth control.
